

### **Doug Davies Citation for Honorary State Life Membership**

Doug was an active member of IPSHA throughout his time as a leader in an independent primary school. He was a Principal in an independent school, and he was very prominent in promoting independent schooling.

During his involvement with IPSHA Doug held many positions. He was a proactive Project Officer in 2004 organising a range of professional learning opportunities for its members. Doug took on the role of Treasurer from 2004 to 2006 without the support of the Administration Assistant that WA branch of IPSHA is fortunate to have.

Doug took a step away from the Executive, however, he continued his involvement in IPSHA until his retirement from the education.
